### **Supplier Testimonials**

#### **Our Accountants:**

De Marco Hunter Solicitors have been clients of Pentlands Business & Tax Advisors since 2008. We are very pleased to look after and support all their accountancy and tax affairs. We have found them to be professional and cooperative whilst working together and they have always paid us within our usual terms of business.

#### **Our IT Support:**

I have worked with De Marco Hunter Solicitors for over two years as a supplier of IT services.

I have found them to be a forward thinking company, keen on taking advantage of new technology, prompt payers and a pleasure to work with.
